## Providing energy while demonstrating environmental stewardship

I'm happy to tell you about an exciting project at H. L. Spurlock Power Station in Mason County. That power plant generates most of the electric power we share with other Kentucky cooperatives on our system.

Spurlock's two newest generating units feature state-of-the-art circulating fluidized bed (CFB) technology that could potentially allow them to burn a wide range of fuel blends with the coal they already use—including renewable biomass products.

One of those renewable products is switchgrass, a warm-season grass native to Kentucky. Switchgrass and coal can be burned together in the units' boilers to create steam, which turns the turbine blades and generates electricity.

In December 2008, our power supplier first tested switch-

times more switchgrass than the first test.

The switchgrass development is the result of a pilot project by the University of Kentucky's College of Agriculture that began in 2007 and will run through at least 2010.

UK researchers have worked with farmers in northeastern Kentucky to plant, grow, harvest, transport, and process switchgrass. Twenty farms in 12 counties are involved in the project. Each farm has a five-acre plot for a total of 100 acres.

Using switchgrass not only could help lower emissions, but also could prove to be a real option for Kentucky farmers as they try to develop alternative cash crops.

The innovative use of switchgrass is just one more way Nolin is doing our best to provide you with reliable, affordable electricity and at the same time protect our environment.

grass as a renewable fuel supplement for Spurlock at its clean-coal Gilbert Unit. The switchgrass was delivered to Spurlock in round and square bales, just like hay.

Recently, we conducted a second test burn of switchgrass at the Gilbert Unit. In that test, the grass was in the form of pellets rather than bales. The pellets were mixed into the coal feedstock. Making pellets of switchgrass allows for a larger percentage of the grass to be used with the coal, and that test used nearly four

# Qualifications For Directors

In June, the membership of your cooperative will be electing two directors to represent you. One director will be from District 2 and one from District 6. If you know someone who is qualified and willing to serve as a director, you may submit his or her name to the Nominating Committee for consideration when this Committee selects candidates to be placed on the ballot.

In thinking about who will make the best candidates for the office of director for your cooperative, you should keep the following in mind:

## **Bylaw Qualifications All Directors Must Meet:**

1. A director must be at least 21 years of age.
2. A director must be a member of the Cooperative and a bona fide resident of the directorate district from which he or she is elected.
3. A director cannot be in any way employed by or have more than 10% interest in a competing enterprise or a business selling services or products to the Cooperative.
4. A director cannot be an employee of the Cooperative or a former employee who has a vested interest in the Cooperative or who has been an employee in the past five years or receives any remuneration from the Cooperative, other than remuneration for services rendered in serving as a member of the Board of Directors.
5. A director cannot be a close relative of any incumbent director or of an employee or a retired employee of the Cooperative. ("Close relative" means a person who is related to the principal person to the third degree or less — that is a person who is either a spouse, child, grandchild, great-grandchild, stepchild, parent, step-parent, great-grandparent, grandparent, brother, sister, aunt, uncle, nephew or niece, by blood or in-law, of the principal.)
6. No person shall be nominated as a candidate for the Board of Directors unless that person is duly qualified and has agreed to be nominated as a candidate.

## **In addition to the Bylaw Qualifications a director must meet, he or she should also:**

- A. Believe in basic Cooperative principles.
- B. Should have demonstrated by his or her action the following personal characteristics:
  1. Be a proven leader in his or her community with broad interests.

2. Be of highest integrity and be well respected in the community in which he or she lives.
  3. Be a mature person and have the ability to exercise sound judgment and logical reasoning.
- C. Should be able to make a meaningful contribution to carrying out the functions of a director, including:
1. Being willing and able to give the time to attend:
    - a. Meetings of the Board or Committees of the Board.
    - b. State and National Association Meetings.
    - c. Director Training Programs.
  2. Making significant contributions to Board meetings by raising pertinent and discerning questions and by contributing innovative ideas and suggestions.
  3. Being willing to study data and other information presented to the Board to keep fully informed.
  4. Being willing to support the decisions and actions of the Board once arrived at by the majority of the Board.
  5. Representing the membership on an impartial basis, not just those in his or her area, but the total membership.
  6. Making every effort to obtain increasing member and public understanding and support of the Cooperative and the rural electrification program and being sensitive to their feelings, concerns and attitudes.
  7. Becoming skilled in raising questions about the end results being achieved in certain Key Performance Areas and in interpreting Operating and Financial Reports.
  8. Providing leadership to meet the changing needs of the membership and to contribute to the development of the Cooperative's service area.

Please give thoughtful consideration to the type of person who meets these qualifications for director, and then submit names of qualified nominees from Districts 2 and 6 to the Nominating Committee. You should discuss this with the nominees before submitting their names. Thank you for your support and interest in your cooperative.

Send nominations to: Chairperson, Nominating Committee, Nolin RECC, 411 Ring Road, Elizabethtown, KY 42701-6767.

**The Nominating Committee will meet after February 23, 2010.**

### SECTION 1. ANNUAL MEETING.

The annual meeting of the members shall be held at such time and at such place within any county served by the Cooperative as selected by the Board and which shall be designated in the notice of the meeting for the purpose of transacting such business as may come before the meeting. It shall be the responsibility of the Board to make adequate plans and preparations for the annual meeting. Failure to hold an annual meeting at the designated time shall not cause a forfeiture or dissolution of the Cooperative.

### SECTION 2. SPECIAL MEETINGS.

Special meetings of the members may be called by resolution of the Board, or upon a written request signed by any four Board members, or by the President; and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within one of the counties served by the Cooperative as designated by the Board and shall be specified in the notice of the special meeting.

### SECTION 3. NOTICE OF MEMBERS' MEETING.

Written or printed notice setting the place, day and hour of the meeting and, in case of a special meeting or an annual meeting at which business requiring special notice is to be transacted, the purpose or purposes for which the meeting is called, shall be delivered not less than ten days nor more than thirty days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or upon a default in duty by the Secretary, by the persons calling the meeting, to each member. Any such notice delivered by mail may be included with members' service billings or as an integral part or with the Cooperative's monthly newsletter and/or its monthly insert, if any, in the *Kentucky Living* magazine. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

### SECTION 4. QUORUM.

One hundred (100) members present in person shall constitute a quorum. If less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting. The minutes of each meeting shall have a list of the members present in person attached to the minutes.

### SECTION 5. VOTING.

Each member shall be entitled to only one vote upon each matter submitted to a vote. All questions shall be decided by a vote of a majority of the members voting thereon in person except as otherwise provided by law, the articles of incorporation or these bylaws. Voting by members other than members who are natural persons shall be allowed upon the presentation to the Cooperative, prior to, or upon registration at each member meeting of satisfactory evidence entitling the person presenting the same to vote.

### SECTION 6. ORDER OF BUSINESS.

The order of business at the annual meeting of the members, and so far as possible at all other meetings of the members, shall be essentially as follows, except as otherwise determined by the members at such meeting:

This Committee shall consist of at least 50 members of the Cooperative and shall be selected not later than the March meeting of the Board of Directors each year. The purpose of this Committee shall be to serve the Cooperative in an advisory capacity, receiving from and conveying to the Board of Directors and the membership information helpful in the administration of an electric cooperative. It shall also be the responsibility of the member advisory committee to select the nominating committee for the Cooperative as set forth herein. One or more meetings of this Committee shall be held each year, and one meeting must be held not later than 90 days prior to the annual meeting of the membership.

## ARTICLE IV — BOARD MEMBERS

### SECTION 1. GENERAL POWERS.

The business and policies of the Cooperative shall be the responsibility of a Board of Directors of six members, which shall exercise all of the powers of the Cooperative, except such as are by law, the Articles of Incorporation or these bylaws conferred upon or reserved to the members. It is the philosophy of this Cooperative that each director is elected to serve the best interests of the entire membership, and not just their own district within the Cooperative.

### SECTION 2. QUALIFICATIONS OF DIRECTORS.

A person shall be eligible to become a Board Member of the Cooperative who: (a) has attained the age of twenty-one (21) years, or more, and (b) is a member of the Cooperative and a bona fide resident for one year prior to their election of the Directorate District from which they are elected, as further defined in Section 3 of this Article IV (In order to be a "bona fide resident" they must have resided for the majority of the year in a residence within the Directorate District from which they are elected.); (c) is not in any way employed by or has more than a 10% interest in a competing enterprise engaged in distribution of electricity or a business selling services or products to the Cooperative, and (d) is not an employee of the Cooperative or a former employee who has a vested interest in the Cooperative, or who has been an employee in the past five years, or receives any remuneration from the Cooperative, other than remuneration for services rendered in serving as a member of the Board of Directors, and (e) is not a close relative of any incumbent director or of an employee or a retired employee of the Cooperative. Upon establishment that a Board member is holding office in violation of any of the foregoing provisions, the Board shall remove such Board member from office.

Nothing contained in this section shall affect in any manner whatsoever the validity of any action taken at any meeting of the Board.

### SECTION 3. DIRECTORATE DISTRICTS.

The Cooperative's directors shall be so nominated and elected that; the Board shall be comprised of one director from each of six Directorate Districts. Boundaries were changed in 2000 to equalize the number of members living in each district.

Beginning with the election for 2010, directors from each Directorate District shall be elected for 3-year terms according to the following schedule:

**SECTION 5 (a). ELECTION OF DIRECTORS.**

Nominating committees consisting of ten (10) members of the Cooperative shall be selected as follows:

(1) At the spring meeting of the Member Advisory Committee, the members of the Member Advisory Committee shall divide into six (6) caucuses, with one caucus to represent each Directorate District.

(2) Each caucus of the Member Advisory Committee shall select one member of the Cooperative from that Directorate District to serve on the nominating committee. These six (6) members shall be chosen first. In addition to these six (6), four (4) additional members of the Cooperative shall be chosen for the nominating committees from each Directorate District in which directorships are up for election. Each year there will be two directorships up for election.

(3) A majority of the members of the nominating committee shall constitute a quorum of the committee to nominate directors.

The membership of the nominating committee may also be members of the Member Advisory Committee, but no employees of the Cooperative, directors or close relatives (as defined in Article IV, Section 2 (e) of these bylaws) of incumbent directors or employees shall serve on the nominating committee. The secretary of the Cooperative shall convene the initial meeting of the nominating committee, and the committee shall then select its own Chairperson and thereafter, the committee shall meet at the time and place designated by the Chairperson. Notice of the time and place of meeting shall be given to

each member by a letter deposited in the United States mail directed to them at the address of the member shown on the books of the Cooperative, not less than five days prior to the meeting, but any member may waive such notice in writing and does waive such notice if the member attends the meeting. The nominating committee shall continue in office for a period of one year or until its successor committee is selected by the Member Advisory Committee.

The committee shall prepare and post at the principal office of the Cooperative at least sixty-five (65) days before the election date, a list of nominees for directors. One or more persons shall be nominated for each vacancy to be filled. No person shall be nominated as a candidate for the Board of Directors unless that person is duly qualified, and has been contacted by the nominating committee and indicated their willingness to have their name placed in nomination.

Fifty-five (55) days prior to the Annual Meeting, each nominee may furnish to the Cooperative Secretary a resume of their qualifications and a picture of the nominee; these (or edited versions thereof) shall be furnished to the membership prior to the election. Other campaigning is discouraged in an effort to promote a cooperative spirit in the election process.

A ballot shall be mailed to each member of the Cooperative at least eight days before the date of the annual meeting. The ballot shall list persons nominated for the office of director as heretofore set out and shall contain a blank line upon which a member may vote for any person not nominated, but otherwise qualified.

Each member may vote for the directors of their choice by marking in the space provided thereon and shall return their ballot to the office of the Cooperative in a self-addressed envelope provided for this purpose by the Cooperative. All ballots to be valid must be delivered to the office of the Cooperative not later than 5 p.m. the day before the annual meeting and shall be sealed in an envelope provided by the Cooperative for that purpose.

All ballots shall be delivered in the sealed envelope to the election tellers. The election tellers shall count the same, certify the result of the election and the result shall be made public at the annual meeting of the Cooperative.

Each member of the Cooperative shall be entitled to cast one vote for each vacancy to be filled, however, proxy voting or cumulative voting shall not be permitted.

Each candidate may name one election teller by notifying the Secretary of the Board in writing of their selection not later than ten days before the date of the annual meeting. The Board shall name such additional tellers as are necessary in the opinion of the Board. The election tellers thus selected shall meet at a time and place designated by the Board. The Secretary of the Board shall notify each teller when and where the meeting will be held. The tellers shall select a chairperson and the tellers shall open the envelopes containing the ballots in the presence of each other and count the same.

The following ballots shall not be counted:

- (1) Unmarked ballots.
- (2) Ballots marked for more candidates than vacancies to be filled.
- (3) Ballots marked for more than one candidate for any one vacancy.
- (4) Ballots other than the official ballot mailed.
- (5) Ballots arriving late.

The following ballots may be counted:

- (1) Ballots on which the mark is not in the place provided, but does show the intention of the voter.
- (2) Ballots on which there is an erasure or change of intention shown, but the election tellers are of the opinion that the ballot has not been tampered with.

The tellers shall by the signature of a majority of the members certify the number of votes received by each candidate. The report shall be delivered by the chairperson of the tellers to the Chairperson of the Board and the result announced at the annual meeting.

The person nominated for director in their district receiving the highest number of votes as certified by the tellers is the person elected. If more than one receives the same number of votes, the tellers shall at a meeting at a time and place to be fixed by them, at which due notice shall be given the nominees cause the nominees or their representatives, or in the absence of a nominee or their representatives, some person designated by the tellers to draw for the office, and the person drawing the slip marked "elected" shall be the person elected.
